**Then the astrologers answered the king in Aramaic, “Long live the king! Tell us the dream, and we will tell you what it means.”**

**But the king said to the astrologers, “I am serious about this. If you don’t tell me what my dream was and what it means, you will be torn limb from limb, and your houses will be turned into heaps of rubble! But if you tell me what I dreamed and what the dream means, I will give you many wonderful gifts and honors. Just tell me the dream and what it means!”**

The king’s demand is impossible. No one except the gods can tell you your dream, and they do not live here among people.”**

**The king was furious when he heard this, and he ordered that all the wise men of Babylon be executed. And because of the king’s decree, men were sent to find and kill Daniel and his friends.**
